

Part B-2

1 *The text in each section is provided only as guidance and should be deleted in the final application*
2 *(including this text). However, some of the tables are part of the document format and should be*
3 *used and expanded from the ones provided here.*

4 *When in doubt, always consult the official template and programme guide!*

5 **4 CV of the researcher (indicative length: 5 pages)**

6 Any information provided in Parts A and B of the proposal should be fully consistent. Always mention
7 full consecutive dates (using format: dd/mm/yyyy). The CV should include the standard academic
8 and research record. Any research career gaps and/or unconventional paths should be clearly ex-
9 plained and the dates must match the ones provided in Part A (if applicable).

10 At a minimum, the CV should contain:

- 11 a) The name of the researcher;
- 12 b) Professional experience (most recent first, with exact dates in format dd/mm/yyyy);
- 13 c) Education, including PhD award date (most recent first, with exact dates in format: dd/mm/yyyy).

14 The CV should include information on:

- 15 • Publications in peer-reviewed scientific journals, peer-reviewed conference proceedings, and/or
16 monographs (they are expected to be open access either published or through repositories)
17 and other outputs such as data, software, algorithms significant for your research path (they
18 are expected to be open access in appropriate repositories to the extent possible; they should
19 be accompanied by a very short qualitative assessment of their scientific significance and not
20 by the Journal Impact Factor);
- 21 • Invited presentations to internationally established conferences and/or international advanced
22 schools;
- 23 • Organisation of international conferences, including membership in the steering and/or pro-
24 gramme committee;
- 25 • Research expeditions led by the researcher;
- 26 • Granted patent(s);
- 27 • Examples of participation in industrial innovation;
- 28 • Prizes and Awards;
- 29 • Funding received so far;
- 30 • Supervising and mentoring activities;
- 31 • Other items of interest.

32 You may modify the template below as necessary to include all relevant information.

46 Applicants who have successfully defended their doctoral thesis *before* the call deadline but who have
 47 not yet formally been awarded the doctoral degree must clearly indicate the date of the successful
 48 PhD defence (“viva”). Researchers having their last thesis defence after the call deadline will be
 49 automatically declared ineligible for this call.

50 **5 Capacity of the Participating Organisation(s)**

51 Please provide an overview list of all participating organisations (the beneficiary and, where appli-
 52 cable, all associated partners) using template table 5.1 below, and more detailed information for
 53 each of the participating organisations (using a separate table for each organisation) using template
 54 table 5.2 below.

55 Any inter-relationship between the participating organisation(s) or individuals and other entities/per-
 56 sons appearing (e.g. family ties, shared premises or facilities, joint ownership, financial interest,
 57 overlapping staff or directors, etc.) must be declared in the proposal.

58 Applicants should provide additional information regarding the administrative/legal relations be-
 59 tween the department carrying out the work as described in the table below, and the entity/entities
 60 mentioned in Part A of the proposal (i.e. linked to the given Participant Identification Code —
 61 PIC).

62 Should the proposal be shortlisted for funding, all participating organisations will have to be reg-
 63 istered with the European Commission’s [Participant Register Services](#). Therefore where this in-
 64 formation is [already known](#), please provide in Table 5.1 the (draft or validated) nine digit *Partic-
 65 ipant Identification Code* (PIC) for the beneficiary and, where applicable, each associated part-
 66 ner.

67 **5.1 Template table: Overview of Participating Organisations**

68 Only relevant rows from the table should be kept.

Organisation Role	PIC	Legal Entity Short Name	Academic Organisation (Y/N)	Country	Name of Supervisor
eneficiary					
Associated partner linked to a beneficiary (if applicable)					
69 Associated partner for outgoing phase (mandatory for GF)					
Associated partner for secondment (if applicable)					
Associated partner for non-academic placement (if applicable)					

70 **5.2 Template table: Capacity of the Participating Organisations**

71 Please complete a separate table for each participating organisation. For the beneficiary, this table
 72 should be *maximum 1 page in length*; for each associated partner, the table should be *maximum 1/2*
 73 *page in length*. Choose one of

- 74 • Beneficiary (compulsory).
 75 • Associated partner linked to a beneficiary (if applicable)
 76 • Associated partner for outgoing phase (compulsory for GF only)
 77 • Associated partner for secondment (if applicable)
 78 • Associated partner for non-academic placement (if applicable)

[Role]	
[Full name + Legal Entity Short Name + Country]	
General description	
Role and profile of supervisor	
Key research facilities, infrastructure and equipment	<p><i>Demonstrate that the beneficiary has sufficient facilities and infrastructure to host and/or offer a suitable environment for training and transfer of knowledge to the recruited experienced researcher.</i></p> <p><i>If applicable, indicate the name of the associated partner linked to a beneficiary and describe the nature of the link in the corresponding table.</i></p>
Previous and current involvement in EU-funded research and training programmes/actions/projects	<p><i>Indicate up to 5 relevant EU, national or international research and training actions/projects in which the institution/department has previously participated and/or is currently participating.</i></p>

79 **6 Additional ethics information**

80 Additional information that could not be included in Part A of the proposal (if needed).

81 **7 Additional information on security screening**

82 Additional information on security aspects that could not be included in Part A of the proposal (if
83 needed).

84 **8 Environmental considerations in light of MSCA Green Charter**

85 Please explain how the proposed project would strive to adhere to the MSCA Green Charter¹ during
86 its implementation. Please indicate here – max 1/2 page – what actions you propose to take to ensure
87 the sustainable implementation of project and to mitigate its environmental impact, in line with the
88 principles set out in the MSCA Green Charter.

89 **9 Required for Global Fellowships only: Letter(s) of commitment from** 90 **associated partners (hosting of the outgoing phase)**

91 Use this section to add scanned copies of the letter(s) of commitment, if applicable.

92 Minimum requirements:

- 93 • With heading or stamp from the institution;
- 94 • Up-to-date document, i.e. not dated prior to the call publication;
- 95 • Demonstrating the will to actively participate in the (identified) proposal;
- 96 • Explanation of the precise role.

97 Any additional information the organisation deems useful can be added in the letter.

98 In case the letter fails to provide enough information on the associated partner's role and/or enough
99 assurance of their commitment in the project (e.g. no signature, wrong proposal references, outdated
100 letter...), the experts may penalise the proposal on these aspects under the implementation evaluation
101 criterion.

102 For GF proposals *the absence of a letter of commitment will render the proposal inadmissible and*
103 *the proposal will not be evaluated.*
